

NEXUDUS

Webinar: How to use Nexodus to provide virtual services to your members

Please wait while attendees join.
We will begin momentarily.

NEXUDUS

**Webinar: How to use Nexodus to
provide virtual services to your
members**

Hosted by Damian from Nexodus Support
Thursday 23rd April 2020 - 5pm GMT

Webinar: How to use Nexodus to provide virtual services to your members

Introduction

Within this Webinar we'll be looking at Virtual Memberships with Nexodus and how this can benefit your Coworking Space.

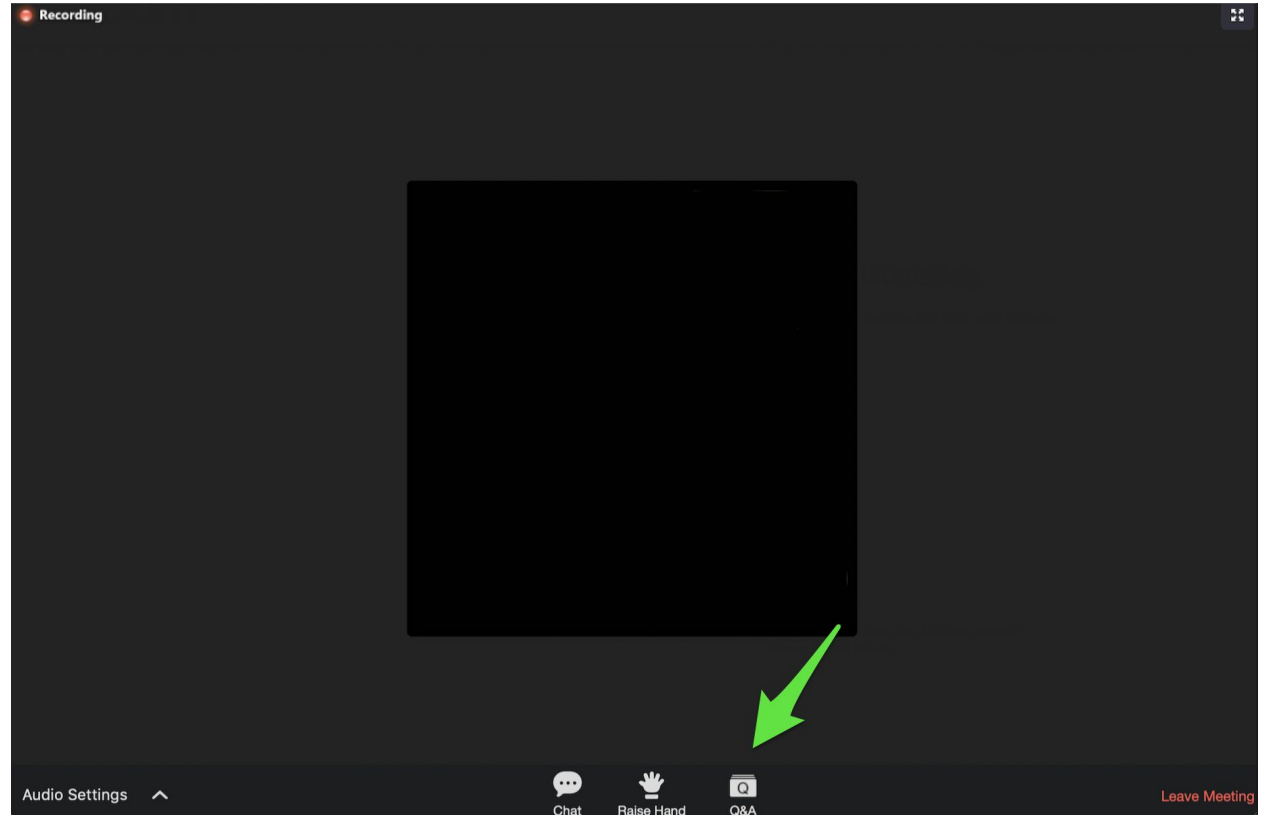

We'll look at the plan setup of Integration, how to set these up and how they can be used in practical terms.

Webinar: How to use Nexodus to provide virtual services to your members

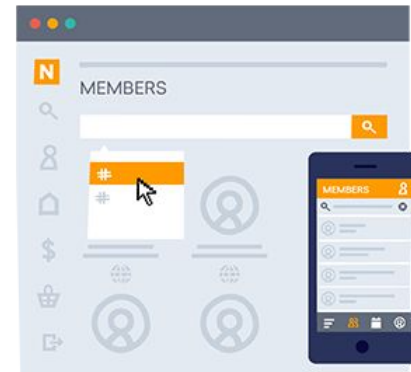

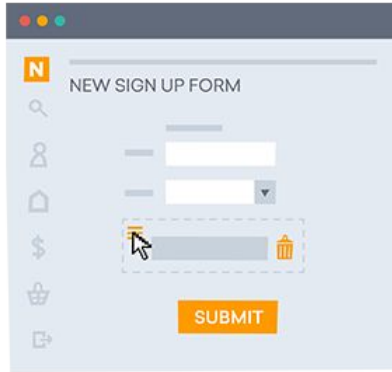

Introduction

The Webinar will last around 20 minutes - with a Q&A session ongoing. Please leave any questions within the **Q&A** section - (not the chat!)

23rd April 2020

What is a Virtual Membership?

23rd April 2020

Requirements

To set this up, you will need the following:

- an account with Nexodus
- to ensure the correct settings are in place
- to create a plan for this type of membership

virtual services to your members

Community Board: Example

23rd April 2020

Summary

- You can create a membership plan to give access to the member-only features of your online community.
- The Member Directory allows members to search for, connect with and explore the community
- The Community Board is an online forum where members can make posts and engage with each other in conversation. You can use this to organise Zoom meetings

NEXUDUS

Thank you for joining

We'll leave this broadcast open for 5 - 10 minutes to respond to any last questions.

Any we don't get to - we'll contact you directly
